

**Dear Dr. Sanjay Agrawal ,**

You are cordially invited to join the forum that brings together leading scientists, engineers, directors of companies belonging to **Materials, Photonics & Optical Instruments** at the **3rd Global Summit & Expo on GSEMPOI-2018**. The conference is scheduled in **November 12-14, 2018** at **Toronto, Canada**.

**GSEMPOI-2018** has initiated to gather delegates from all around the world to attend, including many key opinion leaders in the field with an outstanding Organizing Committee from well-known universities across the globe, making it a specially designed cluster conference that will be covering almost all aspects and fields of **Materials, Photonics & Optical Instruments**. The multi disciplinary nature of the conference provides an opportunity to talk to specialists from many different Sessions.

Sessions of GSEMPOI-2018: <https://scientificfederation.com/materials-photonics-optical-instruments-2018/index.php>

**GSEMPOI-2018 Organizing Committee:**

**Lukasz Andrzej Glinka**  
Friendship University of Russia

**Dongfang Yang**  
University of Ottawa and National Research Council  
Canada.

**Gabriela Carja**  
Gheorghe Asachi Technical University, Romania.

**Changqing Jin**

Chinese Academy of Sciences (CAS), China.

**Hamid Y Hussain**  
University of Baghdad, Iraq.

**Hari Mohan Srivastava**  
Professor University of Victoria, Canada.

**For submission of Abstract:**

PS: <https://scientificfederation.com/materials-photonics-optical-instruments-2018/abstract-submission.php>

We hope that you will be able to join at this massive event of Science and technologies' for an exciting meeting with valuable discussions about Materials, Photonics & Optical Instruments. Please participate in an interactive meeting with the leaders in the field and make this international conference splendid.

We look forward to seeing you in **Toronto, Canada**, November 2018!

**Warm Regards,**  
Santoshasai  
GSEMPOI Conference
